**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

You claim residential consumers will not be affected by this lobby, but in fact, I am a residential consumer who subscribed to Sonic, whose access would be limited by your catering to big providers like AT&T. In short, this action materially affects people like me in my small residential neighborhood a great deal, and I would be at a great disadvantage if you move forward.

I admonish you to reconsider.
